MY WORK

COMPANIES / EFFORTS

20+ Years Experience in Designing, Printing, Marketing & Promoting Outdoor Industry Companies, Products, Services, Brands & Events. The engine behind what we do well.

Our foundation providing fishing tools and education to youth, veterans, and individuals with disabilities across the country. We also help design and install fish habitats in Ohio lakes with the support of volunteers.

Our Northeast Ohio artificial lure injection molding company that produces popular bait brands for crappie, bass, walleye, carp, and trout.

SHOWS

A weekly 15-25 minute edited show that blends humor with fishing tips, techniques, and bait insights & location features.

A weekly 5-10 minute edited show that blends humor with practical fishing tips, techniques, installation ideas, & product feature how-tos

A 1 hour live interactive fishing show allowing viewers to ask questions, share techniques and tips and offer live features.

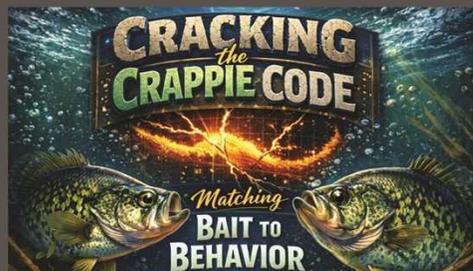

A monthly interview-style podcast highlighting influential figures in the fishing industry, sharing insights, stories, and expertise
